## Canine Hydrotherapy Centre

**Suitable for dogs of all ages**

**We also accept referrals from veterinary and specialised orthopaedic centres**

- Rehabilitation to help speed recovery following orthopaedic and other surgery
- Management of obesity
- Increasing fitness levels & exercise tolerance

**As an aid to the treatment of:**

- Arthritis
- Neurology problems
- Muscle wastage
- Tendon and ligament damage

The underwater treadmill has variable water depths and speed to suit your pet

**The filtered water is filled fresh daily and heated to 30°C**

Just as we go swimming to increase our health and fitness and have lots of fun, so can your dog

**Hydrotherapy can help your pet stay fit and healthy**

**For further information about hydrotherapy for your dog please contact Mary Meadows RVN.**
